JUSTICE PATRICK WYRICK,)

Case No. 115765

APPLICATION TO ASSUME ORIGINAL JURISDICTION

COME NOW, the Petitioners herein, by and through Brady R. Henderson and Ryan Kiesel of the American Civil Liberties Union of Oklahoma Foundation, and request that this Honorable Court assume original jurisdiction to determine Petitioners' contest to Respondent's title to the office of Justice of the Supreme Court of Oklahoma representing the Second Supreme Court District. Petitioners have filed herein a Petition contesting Respondent's title to the office, and hereby incorporate all allegations made therein.

The attached brief cites the authority conferred by statute, constitution, and common law for this Court to assume original jurisdiction in the present case and determine whether Justice Wyrick may be seated on the Court and exercise authority as a justice thereof, despite his false claim to be a bona fide resident of his judicial district.

Respectfully submitted,

Brady R. Henderson, OBA No. 21212
